Wishing Tree

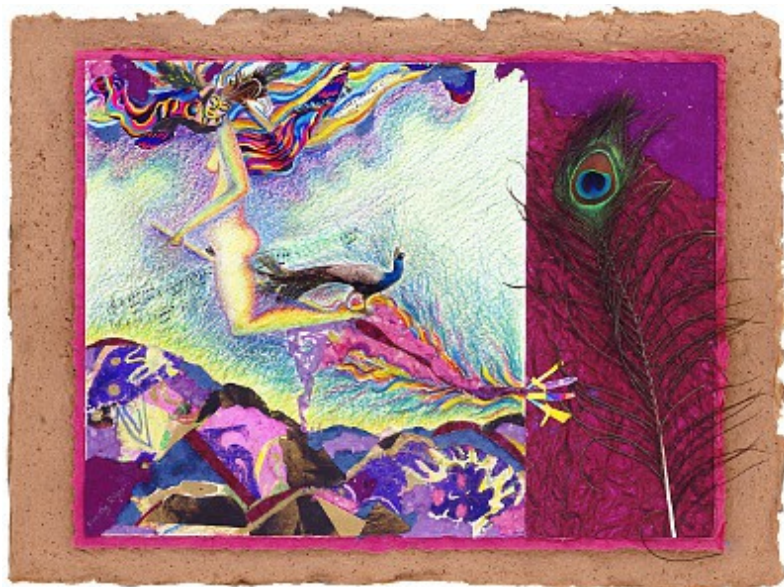

Our September 2014 Demonstrator is Dorothy Riggs. Dorothy and her husband, artist Rod Steelman, have a studio in Squire Canyon. She was nurtured in art growing up and has done interesting work in art as a healing modality for teens in the Central Coast. Her work there was to enhance self-esteem and build community awareness. She has also done work at public events to raise awareness of women's issues.

She began work in acrylics, but trying oil painting she found she loved the luxurious feel of the paint. Later she had health issues and needing to work in a gentler fashion, she began using mixed media and collage. She likes to cut, tear and form imagery that raises the subject up and off the paper. She feels strongly that art is good for

the soul, creating something out of nothing.

Her recent work "Hope Guides The Way" was chosen for the international showing in the Ho Chi Minh Fine Art Museum in Viet Nam. She shows at Marina Square Gallery, teaches "Art for Self Discovery and Spiritual Awareness," at her Studio, is a member of SLOMA, and Associate Member of the American Art Therapy Association.

Our meeting is on Monday, September 8th at 7 pm, at the Atascadero Gospel Chapel on the corner of Atascadero and Curburil.

Serious Business .. Eating

BBQ

The August Bar B Q had the weather and people for a great evening and dinner. Thanks to Deborah and family for the use of their home and for Deborah's original composition on the Native American Flute. It's nice in the evening on the deck overlooking Atascadero to get a chance to talk with other members and get to know them better, and it was good to have some new faces.
