## Docents:

We are in need of substitute gallery sitters. If you would be willing to be on a call list to sit the gallery on a Thursday or Friday if the need arises, please contact Deborah: 712-9015

## Wish List

The Wilkins have generously donated 7 table easels, so we can take those off our wish list! Thank you, Bob and Bonnie. We could still use a sturdy floor easel and some folding chairs.

## July Meeting

A nice crowd gathered for our July Meeting. Artists described their current work. Many are experimenting, going in a new direction. For example Deborah, our president has been a colorist and paints loose. She is now doing detailed pencil work. Frank Rocha is painting animals using pastel. Wilma Sparling is putting together a triptych featuring three stylized pelicans. George brought us work new to him, a little abstract.

Eileen Zachary was painting in watercolor when some wonderful things happened! She is now creating a beautiful series called "Garden Guardians". She has organized a Thursday painting group at our new gallery. Join us. Come and paint from 10 AM until noon.

Kay Hiron brought an acrylic painting from the past. It has an interesting story behind it. She and some others from the association painted in a class at a day care center for people with memory loss. It was a surprisingly good experience. Kris Doe, a Cuesta College art instructor, taught the class.
