FEBRUARY MEETING

A correction for our February speaker on Feb. 8th at 7:00 P. M. at the gallery. We would like to introduce Denise Braun of Heartwork Studios. A facilitator of creative/therapeutic art, she will guide us through an art therapy exercise that incorporates identification with color and theme. We'll work around a goal you may have and incorporate it into the canvas. The outcome typically allows participants to better understand why they're blocked or unsure of how to move forward.

Our speaker for March will be Peter G. Buchan The meeting will be on March 14, 2016, 7:00 P.M. at the Atascadero Art Association Gallery, 5820 Traffic way.

Board Meeting February 1st at 4:00 at the Gallery.

Self Portraits in the Style of the Great Masters

Learn how to develop a self-portrait in the style of the Great Masters using the tools and techniques of today. Channel your inner Rembrandt and others to not only produce a self portrait but to more importantly learn why the techniques of the past are still relevant to the portrait artists of today.

Kate will be offering a five week class where you are the subject. Starting with good reference material, Kate will take you step by step to a completed portrait. Learn how to take reference photos, compose the portrait and use oils in various styles to finish your likeness.

Enrollment is limited to six participants and the cost of \$150 is non-refundable given the limited number of students. This class will begin in March, please send me your availability, AM or PM, and days of the week you are available.

Materials list sent after sign up. We will be using oil paints only.
